Counsel, attached is the exhibit list for the supplemental hearings for the captioned matters had April 28, 29 and 30, which was prepared by Ms. Daniels, paralegal, Lindquist & Vennum. The exhibit list appears to me to be complete and accurate, and the exhibits each sufficiently described. But please review the list and advise me by e-mail (**addressed to aljwahl@gmail.com**) not later than Wednesday next, May 7, if you have any objection to the list in any respect. Absent any objection to the list, I will file it on May 7 to be the exhibit list for the hearings.

Also attached is a late-filed exhibit list, also prepared by Ms. Daniels, for your convenient tracking of those exhibits. I will also file this list for the Commission's convenience. Presumably, any objection to the exhibit list will also apply as relevant to the late-filed exhibit list, but, of course, if you have some particular objection to that list please advise me accordingly.

I will no longer be in the office on any regular basis and will not be available to you by telephone. You may continue to communicate with me by e-mail as necessary (**addressed to aljwahl@gmail.com**). **Please do not copy me with any further filings.** I do not expect to be involved for any further proceedings for the captioned matters, and I will close the file of the Office of Administrative Hearings for those matters Wednesday next (or whenever any objections to the exhibit list or late-filed exhibit list are resolved.)

Regards, Al Wahl.
