In the previous message requesting to extend the deadline for the Commission's response concerning corrections or clarifications to the list(s) of late-filed exhibits, the request should have been to extend the date until July 10. I must have been looking at the wrong calendar month (probably August). Is July 10 acceptable?

Subject: RE: Case Nos. PU-06-481 & PU-06-482 Applicants' List of Late Filed Exhibits

Administrative Law Judge Al Wahl's June 28, 2007 Order for Filing and Serving Late-Filed Exhibits requires that the Applicants, Intervenor, and Advocacy Counsel shall each file with

the Commission and serve upon each other a list of the late-filed exhibits which each has been requested to file; and that not later than July 6, 2007, the Commission shall advise the Applicants, Intervenors, and Advocacy Counsel of any correction or clarification of the information it has requested as a late-filed exhibit shown by any list filed of the late-filed exhibits which each has been requested to file.

Commissioner Wefald will not be in the office until July 6 or July 7. Commissioner Cramer will not be in the office until July 11 or 12, however, I do not believe that he had requested any late-filed exhibits. Commissioner Clark will only be available for a limited time the week of July 2.

Therefore, the Commission requests agreement from the Applicants, Intervenors, and Advocacy Counsel to extend the deadline for its response concerning corrections or clarifications to the list(s) of late-filed exhibits until July 7.
