Sorry for the last sentence—I must have cut and pasted it from another email to Snavely King and Assoc. Basically, we needed a statement to the effect that you have been paid in full. Thanks for the reply. Mike

Mike,
Sorry for the delay in responding. I've been at NARUC in New York. You are correct, the full contract has been paid for the Big Stone cases. I have not been retained to do any work in the NSP case.
Thanks - Terry

Terry,

I believe we have paid the full contract price for the work you did on the Big Stone 2 cases (PU-06-481 and PU-06-482). Please confirm that you have been paid in full for work performed on the NSP case (PU-06-525) and that no more work will be done so we can close the account. Anything for the auditors. Mike
