Judge Wahl: I just received an e-mail message from Commission advocacy staff member, Mike Diller, advising that advocacy staff cannot be prepared for a hearing that begins March 25th. The Applicants proposal is that their testimony would be filed on February 11, 2008, and advocacy staff and intervenors would be required to file rebuttal testimony on March 3rd. Staff's expert witness, Terry Deason, is tied up with a telecommunications case he is working on until March 1st. He will at least 45 days after that to analyze the Applicants' testimony, submit data requests and prepare testimony.
