### **RE: Post Construction Inspections, Case Nos. PU-07-026 and PU-07-722 Langdon Wind**

Dear Mr. Scovill:

The North Dakota Public Service Commission retained a third-party vendor to conduct post construction inspections under the authority provided in the above referenced cases. Below we provide a weblink to the third-party post construction inspection reports for your review and a link to the Commission's orders in these proceedings. We also list actions recommended in the post construction inspection report for follow-up by the Company to confirm compliance with the Commission orders.

#### **Case No. PU-07-026**

As per the post construction inspection report, the following actions should be undertaken with information documenting these actions provided:

- Design and implementation of new erosion control measures for drainage crossings, junction boxes and Geotech fabric underlayment on access roads. (Order Point 14)
- Last tree and shrub survival report due in fall of 2014. (Order Point 16)
- Maintenance of signs, in particular, no trespassing signs were missing, sometimes turned in the wrong direction or lying on the ground. (Order Point 23)
- Compliance with National Electric Safety Code. (Order Point 8)
- Construction according to Application and safety requirements. (Order Points 7, 8 and 23)
- Post-construction reports of presence of threatened, endangered species or bald or golden eagles, if applicable. (Order Point 9)
- Reports of cultural, archeological, historical resources found, if applicable. (Order Point 10)
- Notice of extraordinary events, if applicable: tower collapse, injury, death of threatened or endangered species or large number of birds or bats (Order Point 24)
- Procedures for handling complaints. (Order Point 25)
- Mitigation of television & radio interference. (Order Point 29)
