Re: Qwest Corporation and DIECA Communications, Inc. d/b/a Covad
Communications Company Agreements for Commercial Line Sharing

Dear Ms. Jeffcoat-Sacco:

Enclosed are two documents entitled "Terms and Conditions for Commercial Line Sharing Arrangements" and "Amended Terms and Conditions for Commercial Line Sharing Arrangements" ("Agreements") between Qwest Corporation ("Qwest") and DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad") relating to the provisioning by Qwest to Covad of the high frequency portion of the loop. These Agreements are available for public inspection and do not contain any confidentiality provisions.

In the Commission's August 10, 2005 Order,¹ the Commission determined that commercial agreements, such as the enclosed Agreements, are not interconnection agreements subject to Commission approval under Section 252 of the Telecommunications Act of 1996.

Therefore, Qwest encloses the Agreements for informational purposes and in the spirit of cooperation with state commissions relating to the Section 252 filing requirement. These Agreements are derived from a form or template document, and we anticipate that we may be executing the same agreement with other carriers in North Dakota. Absent notification from you that the Commission may have concerns about the regulatory treatment of these Agreements, please note that we will not provide to you for informational purposes the same DSL agreement that we may execute with other carriers. However, we will be
