**PUBLIC SERVICE COMMISSION**

Daryl,

In reference to filing PU-07-54, I am requesting to expedite our hearing date of Oct. 21<sup>st</sup>. We would appreciate your consideration in this matter as starting our project this fall is crucial to our construction timeline. Wanzek Construction needs to get roads and turbine foundations ready this fall for the delivery of our turbines in the spring of 2009. Transformers are on order hold, and the steel and turbine orders are ready for delivery. We have employment opportunities and are ready to hire people for long term employment. Furthermore, survey work has been done which would be obsolete if our project was delayed until spring.

Thank-you in advance for your consideration in this matter.

Sincerely,

**Mary Horner**
