Re: Request for Disciplinary History

Dear Mr. Jones:

This is in response to your request and authorization for release of information.

Our records show that you have not been subject to discipline, either public or private, and are not currently under investigation.

Policy regarding dismissed complaints. Complaints dismissed with a determination that discipline is not warranted "shall not be disclosed to any person, office or agency except to the lawyer and as between the Committees, Board, Director, Referee or this Court in furtherance of their duties under these rules." See Rule 20(b), Rules on Lawyers Professional Responsibility. Under this rule, we cannot inform third parties such as bar admission authorities of any dismissed complaints. Our reply does not imply there have been any such complaints, as we respond uniformly without regard to whether there are no complaints or only dismissed complaints.

If you need additional information or have further questions, within the limits stated above, please contact me.

Very truly yours,

Office of Lawyers Professional
