Dear Peggy:

Diane K. Larson
Bismarck

We have received and reviewed correspondence and report documentation of September 5 for **08-1260: "Enbridge Stanley Station: A Class III Cultural Resource Inventory in Mountrail County, North Dakota,"** by Ed Stine (Metcalf Archaeological Consultants, September 2008) and find it acceptable. We concur with the scope of identification efforts undertaken in the project APE, as reported. Also, we concur with **"No Historic Properties Affected"** and **"No Significant Sites Affected"** determinations provided the project takes place in the plotted location and is of the nature stated.
