ORDER GRANTING INTERVENTIONS

July 13, 2007

On April 11, 2007, TransCanada Keystone Pipeline, LP (TransCanada) filed an application for a waiver of procedures and time schedules, and consolidated applications for a certificate of corridor compatibility and a route permit authorizing construction of approximately 218 miles of 30-inch crude oil pipeline and associated facilities (Keystone Pipeline) in Cavalier, Pembina, Walsh, Nelson, Steele, Barnes, Ransom, and Sargent Counties of North Dakota, Case No. PU-06-421.

Also on April 11, 2007, TransCanada filed an application for a certificate of public convenience and necessity (PCN) under N.D.C.C. chapter 49-03.1 to construct and operate the Keystone Pipeline, Case No. PU-07-152.

On July 11, 2007 Nicholas Delaney, Attorney at Law, filed a Petition to Intervene in the captioned proceedings on behalf of The Dakota Resource Council, Ramona Klein, Merle and Linette Kratochvill, John and Janie Capp, and Mark Novak. The Dakota Resource Council is a non-profit membership based organization which seeks to, among other things, preserve the environmental integrity of North Dakota. A number of its members are landowners who will be affected by the proposed project. The Petitioners own property which will be affected by the proposed project.

On July 12, 2007 John and Janie Capp requested to intervene in these proceedings on their own behalf. John and Janie Capp own land that will be affected by the proposed project.

The Commission finds that the petitioners have an interest in these proceedings that is not adequately represented by other parties.

Order

The Commission orders:

1. The petitions to intervene of The Dakota Resource Council, Ramona Klein, Merle and Linette Kratochvill, John and Janie Capp, and Mark Novak are granted.
2. Admission as an intervenor shall not be construed as recognition by the Commission that an intervenor might be aggrieved by an order of the Commission in this case.
3. We condition intervention, as authorized under Section 69-02-02-05 of the North Dakota Administrative Code, to require that the intervenors shall not unduly broaden the issues or delay the proceedings.
