

MEMORANDUM

To: File - Case No. PU-08-113 and Case No. PU-07-169

From: Illona A. Jeffcoat-Sacco 

Re: Correction in case name

Date: 18 March 2009

The referenced cases (a siting case and a case for filing the applicant's corporate papers) were opened in early 2007 and 2008 and were erroneously entitled "Basin Electric Power Coop Inc." rather than "Basin Electric Power Cooperative". At my request, the case names have now been corrected to replace the reference to "Coop Inc." with "Cooperative".

New case labels will be produced to reflect this change, but no further corrections will be made to any previously issued or filed documents. No new docket labels will be made to reflect this correction. All future documents and filings should reflect the correct company name "Basin Electric Power Cooperative."
