Request to Withdraw SGAT Available Terms/Conditions Application  
Case No. PU-07-314  
NOTICE OF OPPORTUNITY FOR HEARING  
November 25, 2009  
On June 14, 2007, Qwest Corporation (Qwest) filed an application to withdraw its Statement of Generally Available Terms and Conditions (SGAT). The SGAT is a statement of the terms and conditions under which Qwest provides access and interconnection to its network facilities for the network facilities of unaffiliated, competing providers of telephone exchange services. Qwest states that the SGAT was last updated on May 30, 2002 and, due to changes in applicable law since then, the SGAT is outdated. Qwest states that it will continue to make its Performance Indicator Definitions and its Performance Assurance Plan available to competitive local exchange companies.  
On July 25, 2007, the Commission issued a Notice of Opportunity for Hearing. On August 29, 2007, Level 3 Communications, LLC filed comments requesting that the Commission require Qwest to file an updated SGAT for approval, that all carriers have the opportunity to participate in the approval process regarding the SGAT, and that the Commission order Qwest to allow Level 3 to continue to operate under its current inter-

On June 13, 2007, the Commission joined in a multi-state collaborative audit of Qwest's PAP performance reporting and payment process for calendar year 2005, Case No. PU-07-256. The Final Report for the Audit of 2005 Qwest's Performance Assurance Plans by Liberty Consulting Group was issued November 30, 2007. On December 17, 2008, the Commission joined in a multi-state review of the effectiveness of the PAP and whether its continuation is necessary, Case No. PU-08-920. The review was a multistate effort organized by the Regional Oversight Committee. On February 11, 2009, the Commission issued a Notice of Qwest Performance Assurance Plan Review and Notice of Opportunity for Comment in Case No. PU-08-920, for comments from interested persons on trends in Qwest performance in providing interconnection, comments

The report is available for viewing and downloading from the Commission's internet site at: <http://www.psc.state.nd.us/case/082008/018-020.pdf>. Comments and requests for hearing must be filed by January 15, 2010. Comment should address the following:
