Dear Ms. Spilman:

We have received and reviewed documentation for project: **08-0024a: ND PSC "Belle Fouche Pipeline: North and South Re-routes [T151N R101W Section 31, T150N R101W Sections 6-7; T149N R101W Sections 7, 18],"** and find it acceptable.

We concur that no survey is warranted and we concur with a **"No Significant Sites Affected"** determination provided the project is of the nature and extent stated, and it is restricted to the corridor locations shown in the PSC map and other documentation

Thank you for the opportunity to review the project. If you have questions please contact either Paul Picha at (701) 328-3574 or Susan Quinnell at (701) 328-3576.

Sincerely,

Merlan E. Paaverud, Jr.
