RE: Alex 8" Loop Notice of Start-up, PU-07-596

Dear Mr. Fahn:

Belle Fourche Pipeline (BFPL) is pleased to notify your office that construction of the Alex 8" Loop pipeline project is complete and the line placed into service on May 22, 2008.

Reclamation of the pipeline right-of-way is scheduled to commence within the next week or two depending on weather and ground conditions.

Additionally, as-built alignment drawings have been ordered and will be provided to your office within 3 months of the completion of construction date as required by PSC permit condition #22.

Please call me at (307) 266-0411 should you require any additional information.

Sincerely,

Bob Dundas, P.G.  
Environmental Coordinator

C: Tad True
