Subject: otp and spiritwood station

Paula,

Thanks for providing Northern Plains Electric Cooperative with a copy of Otter Tail Power's request to provide temporary service to the customer Spiritwood Station located in Section 22, Township 140N, Range 62W near Jamestown.

Based on the information contained in this request, we do not anticipate that Northern Plains will protest Otter Tail's service to this account.

Have a good week.

Jay Jacobson
Alliance Manager
Northern Plains Electric Cooperative
