APPEARANCE BY CUSTOMER

Spiritwood Station (hereinafter referred to as the Customer) hereby makes a voluntary appearance in this matter and states the following to the Commission:

1.

Customer desires electric service from Otter Tail Power Company as a public utility subject to the jurisdiction of and regulation by this Commission, and has requested said public utility to provide Customer with immediate electric service at the point located as stated in the Application in this matter.

The Customer further states the need of and has demanded immediate service at said location for the reasons that are set forth in the Application herein. The Customer waives Notice of Opportunity for Hearing and Notice of Hearing upon said Application, or a hearing thereon, and requests the Commission to issue an Order and Certificate of Public Convenience and Necessity authorizing this requested and needed service, and that provision be made therein authorizing the extension of immediate service.

II.

All of the allegations of the Application herein are admitted as true and correct.

WHEREFORE, The undersigned, being the Customer involved herein, prays for the entry of an Order and Certificate of Public Convenience and Necessity by the Commission, authorizing the Applicant to immediately extend the requested and needed service to this Customer at said location, subject to such appropriate and proper conditions to be appended to and made a part of such Temporary Order and Certificate as the Commission may determine, said Temporary Order and Certificate to become final as may be set forth in the conditions appended thereto; and for such other and further relief as may be proper in the premises.

THIS AGREEMENT, by and between Spiritwood Station
of Spiritwood ND 58481 here in called the "Customer," and the
OTTER TAIL CORPORATION, a Minnesota corporation, herein called "Otter Tail," WITNESSETH:

In Consideration of the mutual promises contained below, the parties agree as follows:

- All electric power is to be delivered and received pursuant to the provisions of this agreement and shall be approximately 115.5 ~~125~~ ^{Perm} volts, slight variations in frequency and voltage to be allowed, 3 phase, delivered at the Customer's SW 1/4 Sec 22 Twp 140N located on R-62-W County of Stutsman, State of North Dakota
- Otter Tail will make the extension of lines, overhead or underground necessary to provide electric service, as requested, to the electric service entrance of the above-described property, except for service poles to be owned by the Customer. Otter Tail shall not be responsible for surface restoration due to underground installation except the initial backfill.
- The Customer grants to Otter Tail, its successors and assigns, the perpetual right, privilege and easement for the construction, operation, extension, maintenance and repair or removal of electric transmission lines, either overhead or underground, necessary to provide the electric service described herein, including the necessary fixtures and all other devices in connection therewith; together with the right to permit the attachment of other wires to the poles or in a common trench for purposes of telecommunications or cable communication systems. Further right, privilege and easement is granted Otter Tail to place, position and locate the butts of the main poles, pole structures or underground wires over, across or under the Customer's real property in such manner and location as the parties may mutually agree. Otter Tail shall have the right of ingress and egress at all reasonable times, for the purpose of the perpetual right, privilege and easement granted hereby and shall have the right to cut down and trim trees as reasonably necessary to keep the wires of these electric lines clear, so as to be maintained in accordance with Otter Tail's standards of construction and maintenance. The Customer agrees to provide, without cost to Otter Tail, such other rights of way or permits (including railroad permits), as may be necessary.
- The Customer agrees to purchase and receive from Otter Tail electric energy in accordance with rules and regulations established by Otter Tail and filed with the appropriate regulatory agency and agrees to pay for electrical energy in accordance with Otter Tail's rate schedule as filed with the Public Service Commission or such superseding rate as may be published in the future.
- The title and ownership of all lines and extensions and equipment furnished by Otter Tail shall be and remain in Otter Tail, as personal property, and shall not be owned by nor become a part of the real property of the Customer.
- In view of the investment required of Otter Tail to furnish electric service to the Customer's location, the conditions under which service will be supplied and the inability of expected revenue to support the investment, the Customer agrees to pay, in advance of service, a connection fee of 0. This connection fee shall be in lieu of any guaranteed minimum charge (other than such monthly and seasonal minimum charges which may be part of the rate applicable to this service).
- In the event Otter Tail is required to change the service lines for any reason other than normal maintenance or inadequate capacity, the party requiring the change shall pay all costs connected with the change.
- In the event of the failure of the Customer to make any payment required by this agreement, it is understood and agreed that Otter Tail is authorized to discontinue service and remove, without legal process, any and all of the extensions of lines and other property installed by Otter Tail under the terms of this agreement.
- Where the Customer requests electric service and service is provided by means of an underground service lateral, owned and installed by Otter Tail, the Customer shall, except for backfilling, assume, at his own expense, the necessary land restoration, including but not limited to, yard maintenance, grass planting, and trench leveling.
- Where Customer has blocked or restricted access to Otter Tail facilities through plantings, construction, pavement, etc., all costs of obtaining access for maintenance, repairs or replacement of said facilities, whether underground or overhead, together with all costs of site restoration, including but not limited to trenching, tree removal, earth removal, reconstruction or repaving, shall be the responsibility of the Customer.
- No liability shall attach to Otter Tail for any failure to deliver electric power hereto due to acts of God, or any other cause whatsoever except its own voluntary act or any neglect to exercise reasonable care and diligence in performance of the agreement herein contained, and Otter Tail shall have the right to suspend temporarily the delivery of electric power hereunder for the purpose of making repairs or improvements of its system.
- This agreement shall go into effect on the date of initiation of service and shall continue in effect for a period of ten years and thereafter shall remain in effect from year to year unless terminated by either party by notice within at least sixty days.
- The rights and obligations of this agreement shall extend to and be binding upon the respective heirs, executors, administrators, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed as of the dates appearing opposite their respective signatures.
