Re: Basin Electric Power Coop Inc.
230 kV Transmission Line/Williams and Mountrail Co.
Case No. PUC-07-671

Dear Annette:

This is in response to your letter dated November 2, 2009. The admission of the Williston/Tioga Application is acceptable to Basin Electric Power Cooperative (Basin Electric) despite it not being admitted as evidence at the hearing held on October 27, 2009. Further, Basin Electric waives any right to a hearing to present additional evidence in this matter.

Sincerely,

Casey J. Jacobson
