PUBLIC SERVICE COMMISSION
NOTICE
TELECOMMUNICATIONS RELAY
SERVICE SURCHARGE
May 18, 2011**
On April 21, 1993, Governor Edward T. Schafer approved House Bill No. 1028 that established a program to provide specialized telecommunications services and equipment to the communications impaired. The relay services program is funded by an access line surcharge paid by the customers of local exchange companies and radio communications service providers.
The relay services program is administered by the Information Technology Department of the State of North Dakota. Before June 1 of each year, the Public Service Commission calculates the amount of the surcharge based on cost data and other information provided by the Information Technology Department.
The Commission has calculated the 2011-2012 surcharge to be included in bills to customers is \$.04 per access line per month.

B. RELOCATION
No persons, families, or businesses will be displaced by this project.
C. ENVIRONMENT
This project will not have a significant environmental impact upon the transit services in the area identified above.
D. COMPREHENSIVE PLANNING
This preliminary program of projects is in conformance with comprehensive land use and transportation planning for the area and is consistent with the locally adopted programming of projects in the annual element of the Transportation Improvement Plan (TIP).
E. ELDERLY AND PERSONS WITH DISABILITIES
This project takes into consideration the special transportation needs of the elderly by providing elderly and paratransit services.
F. CHARTER BUS
The City of Fargo will not provide any charter bus operations without first notifying all private operators in the area who claim to be willing and able to provide such service. If a private operator claims to be willing and able to provide charter services, then the City must review the evidence to determine whether or not the private operator will physically be able to provide the charter service, and if the provider has the required legal authority and necessary safety certifications that are required. If it is found that there is at least one willing and able provider which meets all of the aforementioned legal requirements by law, the City is prohibited from using FTA funded vehicles and equipment for charter service.
G. SCHOOL BUS OPERATIONS
The City of Fargo will not be engaged in school bus operations exclusively for the transportation of students or school personnel.
H. PRIVATE ENTERPRISE
Private enterprise is considered in all potential procurement contracts and subcontracts necessary in the operation of the transit system. Interested persons or agencies desiring an opportunity to be heard with respect to social, economical, and environmental aspects of the program of projects may be heard at a public hearing. A copy of the preliminary program of projects, the current Transportation Development Plan, the current Transportation Improvement Plan, and a draft copy of the proposed grant application is available for public inspection at the City Auditor's Office, City Hall, 200 N 3rd Street, Fargo, North Dakota.

PUBLIC SERVICE COMMISSION

NOTICE OF FILING AND NOTICE OF HEARING
May 18, 2011
On December 30, 2010, Northern States Power Company (NSP) filed an application for a certificate of corridor compatibility for a new 345 kV electric transmission line and associated facilities proposed from St. Cloud, MN to near Fargo, North Dakota. NSP filed an amendment to its application on April 13, 2011 and a supplement on May 16, 2011. NSP requests the Commission designate a transmission facility corridor in Cass and Richland Counties as shown on the attached map. If a corridor certificate is granted then a separate route permit application and hearing is required before designating a transmission line route within the approved corridor.
A Public Hearing on the application is scheduled to begin June 23, 2011, at 9:00 a.m. CDT, at the West Fargo City Hall, City Commission Room, 800 4th Ave East, Suite 2, West Fargo, North Dakota 58078. The issues to be considered are:
1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400, or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission.
