If consulted by a federal or state agency, we would concur with "No Historic Properties Affected" and "No Significant Sites Affected" determinations provided for the surveyed portions of the project, provided it remains as described and mapped in the report.

Thank you for the opportunity to review this project. We look forward to review of the remaining approximately 573 acres and the Bison Substation section of the project. If you have questions please contact Susan Quinnell at [squinnell@nd.gov](mailto:squinnell@nd.gov) or (701) 328-3576.
