Re: Northern States Power Company
Electric Rate Increase
Application

Case No. PU-07-776

Dear Ms. Hertzler, Mr. Johnson and Mr. Bradley:

Now that Mr. Johnson and Mr. Bradley are authorized to practice before the Commission, we assume that each of you wants to receive Public Service Commission correspondences and filings regarding the case. In an effort to keep costs to a minimum, we will only certify the mailing of notices and orders (unless there are special circumstances that come up during the course of the proceeding) and we will send certified mail only to one of you. *Please determine which recipient should receive the notices and orders for your party by certified mail, and respond to us with your determination as quickly as possible.*

Those not selected to receive certified mail will receive all Public Service Commission mailings by e-mail or ordinary mail. We prefer to serve by e-mail, but you may request ordinary mail (or both) if you desire. Again, I ask that you please notify us of your preferences at your earliest convenience.
