Cc: "Iliona A. Jeffcoat-Sacco" &lt;ijs@nd.gov&gt;

Counsel, as you know, I have been designated the administrative law judge to serve as the hearing officer for the captioned hearing. I have retired from employment by the Office of Administrative Hearings as an administrative law judge, and my designation for this hearing is pursuant to a temporary appointment by Judge Hoberg.

My state e-mail address is no longer in service. Please note my e-mail address, [aljwahl@gmail.com](mailto:aljwahl@gmail.com), for this matter. Only I have access to this e-mail address. Unless I am away from home, I will check this e-mail address at least every evening.

If it is necessary at any time to communicate with me immediately, you may try calling me at 701-255-6629, my home telephone. If there is no answer, you may leave a message and I will return your call as soon as I can. (If I do not promptly return your call, OAH staff will know if I will be away from home more than a day and when I will return. As you know, Judge Hoberg can act for me for anything which must urgently be done for a pending hearing.)

I have Enbridge's Application to Amend Corridor Certificate and Route Permit for a Crude Oil Pipeline as filed with the Commission. It is not necessary to send me duplicate copies of any further filings with the Commission unless the filing is for a request or motion which requires my action or you think the filing is necessary for my preparation for the hearing. You may, of course, provide me copies in pdf format as an attachment to e-mail as you would the Commission.

I look forward to working with you for this hearing. Regards, Al Wahl.
