Dear Ms. Jeffcoat-Sacco:

**In re: Enbridge Pipelines (North Dakota), LLC
Pump Station Upgrades
Case No. PU-07-791
Our File No. 120-28548**

At the hearing held on June 19, 2008 it was requested that the waivers obtained from all owners at Penn Station be filed, and also a map showing distances from each of the residences or businesses.

Thus, enclosed please find for filing:

- (1) Original and ten copies of each of the waivers which were obtained.
- (2) Original and ten copies of an aerial photo, showing distances from the Penn Pumping Station to various residences and businesses

Please call should you have any questions.

Very truly yours,

FLECK, MATHER & STRUTZ, LTD.

BRIAN R. BJELLA

Re: Penn Station, Ramsey County, ND

Dear Mr. Horton,

We have viewed the attached map noting the location of the Penn pump station which was constructed in 2006/07. The station is located within 500' of our residence. We also understand that the equipment at the pump station is going to be upgraded this year, within the existing station grounds. We acknowledge and accept the pump station at this location.

It is understood that the signing of this letter cannot be construed as a release of liability as to any damages which could occur in the future.

Sincerely,

RE: PENN STATION, RAMSEY COUNTY, ND

Dear Mr. Horton:

We have viewed the attached map noting the location of the Penn pump station which was constructed in 2006. The station is located within 500 feet of our building. We understand that the equipment at the pump station is going to be upgraded this year, within the existing station grounds. It is acceptable with us that the pump station was constructed in this location, and we waive any objection to either the 2006 construction or to the proposed 2008 equipment upgrades.

Sincerely,
