Sheila or Bill,

The requested evaluation is below. This contractor reports that they are not in the AVS. However, they are, and I have provided you a copy of their OFT as an attachment. Please send it to them and ask them to use it for future bid. They can then select a different block under Part C., and don't have to fill in Part D unless there is a change.

Thanks,

CAUTION: The Applicant/Violator System (AVS) is an informational database. Permit eligibility determinations are made by the regulatory authority with jurisdiction over the permit application not by the AVS. Results which display outstanding violations may not include critical information about settlements or other conditions that affect permit eligibility. Consult the AVS Office at 800-643-9748 for verification of information prior to making decisions on these results.

There were no violations retrieved by the system
