State of North Dakota

Memorandum

TO: Commissioners Cramer, Clark and Kalk
Darrell Nitschke

From: Jim Deutsch, Director - AML Division

Date: February 4, 2009

Subject: Close-out of Contract Number AM-568-08 for sinkhole filling work associated with the 2008 Sinkholes 2 project, Case No. AM-08-11

On July 30, 2008 the Commission entered into Contract Number AM-568-08 with Hanson's Excavating, Inc. for the 2008 Sinkholes 2 projects for filling sinkholes at abandoned mine land sites located in southwestern North Dakota. The Sinkholes 2 project contract required Hanson's Excavating, Inc. to fill about 100 sinkholes near Beulah, Leith, New Leipzig and Scranton. The original amount of Contract AM-568-08 was \$44,562.50.

Construction work for the Sinkholes 2 project began on November 25 and was completed on December 12, 2008. Bill Dodd and Tim Oswald inspected this project work, and all conditions of this contract were met by Hanson's Excavating, Inc. The contracted work was completed for a total cost of \$41,825.

Attached is a motion for the February 11, 2009 Commission meeting to close Contract Number AM-568-08.
