Dear John and Jennifer:

We have received and reviewed letter correspondence of May 26 and accompanying map documentation regarding: **08-0444c: "PSC/KLJ M-Power and [Luverne] Wind, LLC 157 Mega Watt (MW) Griggs and Steele Counties, Wind Farm: South Field.**

We concur with a **"No Significant Sites Affected"** determination, and if consulted by a federal agency we would concur with a **"No Historic Properties Affected"** determination, provided the project is restricted to the nature stated and it takes place in the plotted locations in the received project documentation. Also, if consulted, we concur that 32ST175, 32ST176, and 32STX9 are not significant and not eligible for listing in the National Register of Historic Places. Project additions and/or modifications are subject to cultural resource protocols as outlined. Also, all borrow/fill/material is to be derived from an approved source. **Lastly, we look forward to receiving the complete final report covering the investigations for the project.**

If you have questions please contact either Susan Quinnell at (701) 328-3576 or Paul Picha at (701) 328-3574. Please include the **NDSHPO REF.: 08-0444c** in correspondence regarding the project.
