Re: M-Power, LLC
Siting Application, PSC Case No. PU-08-34
OAH File No. 20090126

Dear Ms. Jeffcoat-Sacco:

The hearing of the captioned case was held June 5, 2009, as noticed, and the hearing was completed and closed that day, subject to the filing by Ashtabula Wind II of its report for alternate locations for Luverne Wind Farm South Unit turbines 165, 166, 170, 171 and 172 as late-filed Exhibit T. The Commission's documents provided to the Office of Administrative Hearings for its file for this case and the exhibits offered and at the hearing have been returned to the Commission. No procedural matters remain for disposition by me as the Commission's hearing officer for this hearing. Accordingly, I have closed the file of the Office of Administrative Hearings for this matter.

The Office of Administrative Hearings was pleased to assist the North Dakota Public Service Commission, M-Power and Ashtabula Wind II for this matter.

Sincerely,

Al. Wahl
