American Colloid Company  
Revision No. 6 to Permit ACPG-9701  
Approval  
Case No. RC-08-57  
NOTICE OF PERMIT REVISION  
APPROVAL  
April 9, 2008

Preliminary Statement  
On February 13, 2008, American Colloid Company applied for a permit revision to modify surface coal mining and reclamation operations approved under Permit No. ACPG-9701 for its mine near Gascoyne, North Dakota.

This revision identifies the next five-year coal removal subarea and updates legal and ownership information, the worst-case reclamation cost estimate used for setting the bond amount, surface water management plans and other mining and reclamation plans for the next five-year permit term.

The Commission has completed its review of the application and issued the permit revision. The revision will give American Colloid Company the right to modify the mining and reclamation plans in Permit No. ACPG-9701 as described by the revision application.

Notice  
Any person with an interest which is or may be adversely affected by this revision approval may request a formal hearing with the Commission within thirty days of the publication of this notice. The request should be addressed to the Public Service Commission, 600 East Boulevard Ave., Dept. 408, Bismarck, North Dakota 58505-0480.
