

MEMORANDUM

To: File - Case No. PU-08-75 and Case No. PU-08-114

From: Illona A. Jeffcoat-Sacco 

Re: Correction in case name

Date: 18 March 2009

The referenced cases (a siting case and a case for filing the applicant's corporate papers) were opened in early 2008 and were erroneously entitled "LLC" rather than "Inc." At my request, the case names have now been corrected to replace the reference to "LLC" with "Inc."

New docket labels and case labels will be produced to reflect this change, but no further corrections will be made to any previously issued or filed documents. All future documents and filings should reflect the correct company name "PrairieWinds ND 1, Inc."
