Re: Change Caption Title, Case No. PU-08-75

On February 21, 2008 Basin Electric's subsidiary PrairieWinds ND 1, Inc. filed a Letter of Intent to file an application for a certificate of site compatibility for the proposed PrairieWinds generation project. As a result, Case No. PU-08-75 was captioned with PrairieWinds ND1, Inc listed as the applicant.

On March 13, 2009, Basin Electric filed an application along with a cover letter explaining that Basin Electric "will construct, operate and initially own the facility. At some point, Basin Electric intends to transfer ownership to PrairieWinds ND 1, Inc."

Therefore, staff is re-captioning Case No. PU-08-75 to reflect that Basin Electric Power Cooperative, Inc. is the applicant.
