

**STATE OF NORTH DAKOTA  
PUBLIC SERVICE COMMISSION**

**Midcontinent Communications/Consolidated Telcom  
Interconnection Agreement Amendment  
Application**

**Case No. PU-08-134**

**ORDER APPROVING INTERCONNECTION AGREEMENT AMENDMENT**

**May 21, 2008**

On March 26, 2008 Midcontinent Communications filed a petition for approval of a Second Additional Territory Amendment negotiated to its interconnection agreement with Consolidated Telcom. The amendment would add the Reeder, Scranton, South Heart, and Dodge, North Dakota exchanges to the areas in which Consolidated Telcom will provide wholesale resale services to Midcontinent Communications.

This amendment was filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under 47 U.S.C. § 252(e)(2)(A), the Commission may only reject an agreement adopted by negotiation (or a portion of the agreement) if it finds that:

1. the agreement discriminates against a telecommunications carrier that was not a party to the agreement; or
2. implementation of the agreement is not consistent with the public interest, convenience, and necessity.

In addition, under 47 U.S.C. Section 253 the Commission may include in its review state requirements that do not constitute barriers to entry.

Section 252(e)(4) requires that the Commission act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

On April 4, 2008 the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive written comments on the agreement amendment until May 7, 2008. No comments were received.

The Commission has reviewed the agreement amendment and finds that it has not been shown to discriminate against a telecommunications carrier that was not a party to the agreement. The Commission further finds that implementation of the amended agreement has not been shown to be inconsistent with the public interest, convenience and necessity.
