P.O. Box 158
Reeder, ND 58649

Dear Mr. Raber:

The Reclamation Division has reviewed and approves your April 30th plan for implementing a program to cover the pit bottoms in a timelier manner and to install silt fences to prevent deposition of leonardite fines on undisturbed and reclaimed topsoil. With completion of the remedial actions we can now terminate NOV-0801. The Termination Notice is enclosed. Our next step in the process will be to assess the penalty for this violation.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
