Partial Transfer of Site
Certificate
Application

Case No. PU-08-159

NOTICE OF OPPORTUNITY FOR HEARING

April 23, 2008

On May 31, 2007, in Case No. PU-07-26, the Commission issued Certificate of Site Compatibility No. 6 to Langdon Wind, LLC (Langdon Wind) authorizing construction of a 159 MW Langdon Wind Energy Center (LWEC) in Cavalier County, North Dakota. As the Commission found in Finding of Fact #13 of its decision approving issuance of the certificate, Otter Tail Corporation d/b/a Otter Tail Power Company (Otter Tail) then had an option to own a 40.5 MW portion of the LWEC. Otter Tail exercised its ownership option and was issued Certificate of Public Convenience and Necessity No. 5336 for its 40.5 MW portion of the LWEC on November 26, 2007 in Case No. PU-07-607.

On March 26, 2008, in Case No. PU-08-159, Langdon Wind filed an Application

for Partial Transfer of Certificate of Site Compatibility, seeking to have transferred to Otter Tail only the rights and obligations of the site certificate that coincide with the operation

cal portion of the LWEC for which the Commission in Case No. PU-07-607 issued a Certificate of Public Convenience and Necessity to Otter Tail.

The issues to be considered in this matter are whether Otter Tail agrees and is able to comply with the terms and conditions of the siting certificate currently issued to Langdon Wind and whether the requested certificate transfer is compatible with the public interest.

Those interested are invited to comment on this application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearing must be received by June 2, 2008. If deemed appropriate, the Commission can determine the matter without a hearing.
