Dear Pat:

Please find enclosed for the commission's files two hard copies and one disk of the revised Bek Communications Cooperative Intrastate Access Tariff. The disk is in a modified PDF format.

Since we did not have an original version, we were forced to cut and paste a PFD file.

If you should have any questions concerning this information or would like further information, please call me at (651) 452-2660.

Sincerely,
