RE: Capacity Increase

Dear Karen:

The license capacity at Hankinson has been increased by 141,000 bushels to reflect the calculated capacity of your ethanol facility as determined during the recent Public Service Commission grain warehouse exam. With this change your licensed capacity is now 1,141,000 bushels at Hankinson effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
