RE: Discontinue Business – Roving Grain Buyer  
US Bio Hankinson, LLC, Inver Grove Heights, MN

The Licensing Division received a Request to Discontinue Business from US Bio Hankinson, LLC, of Inver Grove Heights, Minnesota, for its roving grain buyer license. US Bio Hankinson, LLC was issued a roving grain buyer to solicit corn for the ethanol facility that was under construction at Hankinson, ND. This facility was acquired by US Bio Energy Corp and they were issued a grain warehouse license effective May 14, 2008 in the name of their limited liability company - VeraSun Hankinson, LLC. Therefore, US Bio Hankinson, LLC does not need a roving grain buyer license.

I recommend the request be approved. A corresponding motion and order are attached.
