RE: Discontinue Business – Roving Grain Buyer
C-Shore International, Inc., Glendale, CA

The Licensing Division received a Request to Discontinue Business from C-Shore International, Inc., Glendale, California. C-Shore International said they are not presently purchasing grain from North Dakota and asked that their license be canceled as of June 2, 2008. C-Shore International asked their bond company to cancel their bond. June 2, 2008 is the date by which a new bond was due had C-Shore International intended to continue operating as a roving grain buyer. C-Shore International indicated that in the future should they decide to get back in the grain market in North Dakota they would apply for a new license.

I recommend the request be approved. A corresponding motion and order are attached.
