RE: Capacity Decrease

Dear Tina:

Your request to decrease the license capacity at Dwight by 9,440 bushels to reflect the deletion of bin no. 2 in Section H at the Hinkle bin site which was not used as part of the Colfax receiving station is approved. With this change your licensed capacity is now 408,164 bushels at Dwight effective December 11, 2008.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
