RE: Capacity Decrease

Dear John:

The license capacity at Oberon has been decreased by 18,000 bushels to reflect the deletion of bins 101-106 in Section D (5,479 bushels each) and addition of hopper bins 001-004 in Section D which were moved from Sheyenne (bin 001 is 3,933 bushels and bins 002-004 are 2,864 bushels each). The licensed space at Oberon, as identified in the 8/11/2008 bin chart and diagrams, will consist of Section C - 255,000 bushels and Section D - 32,000 bushels. With this change your licensed capacity is now 287,000 bushels at Oberon effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
