RE: Capacity Increase

Dear John:

The license capacity at Sheyenne has been increased by 166,000 bushels to reflect the addition of three new bins in Section A (201 - 47,902 bus., 202 - 59,830 bus., & 203 - 87,244 bus.) & deletion of bin 031 in Section A which was destroyed (15,014 bus). The licensed space at Sheyenne, as identified in the 8/11/2008 bin chart and diagrams, will consist of Section A - 468,000 bushels, Section B - 122,000 bushels, & Section E - 75,000 bushels. With this change your licensed capacity is now 665,000 bushels at Sheyenne effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
