RE: Capacity Increase

Dear Korey:

The license capacity at Mooreton has been increased by 15,000 bushels to reflect the calculated capacity of your licensed facility consisting of bins 001-008 in Section A as reflected in the bin documents provided by Rick Fillbrandt during his recent visit to your facility. With this change your licensed capacity is 465,000 bushels at Mooreton.

Thank you and if you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
