Executive Secretary

SUBJECT: Case No. PU-08-274 In the Matter of an amendment to the Outdoor Lighting Tariff for Otter Tail Corporation, d/b/a Otter Tail Power Company

Dear Ms. Jeffcoat-Sacco:

Otter Tail Corporation d/b/a Otter Tail Power Company ("Otter Tail") submits this filing in compliance with North Dakota Century Code 49-05-06. This Century code allows proposed changes in rates to become effective, if not suspended, on the expiration of thirty days from the time of filing a proposed change with the North Dakota Public Service Commission.

Enclosed is an approved copy of Otter Tail's Outdoor Lighting Tariff, with an approved date of June 28, 2008 and an effective date of July 1, 2008.

It was brought to my attention that there was a typo on the originally proposed tariff change in the sentence Otter Tail proposed to add. That sentence stated June 1, 2008 and it should have stated July 1, 2008. This correction has been made to the attached approved tariff sheet.

An electronic copy of this filing is being sent to you at ijjs@nd.gov, and to ndpsc@nd.gov.

If you have any questions, please contact me at (218) 739-8395 or JHeinen@otpco.com.

Sincerely,
