RE: Capacity Decrease

Dear Lynn:

Your request to decrease the license capacity at Sykeston by 13,000 bushels to reflect the deletion of a 20,000 bushel quonset, addition of four 3,000 bushel hopper bins and reflect PSC calculations is approved. With this change your licensed capacity is now 176,000 bushels at Sykeston effective February 4, 2009.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
