RE: Capacity Increase

Dear Roger:

Your request to increase the license capacity at Egeland by 107,000 bushels to reflect the addition of new construction consisting of bin 024 in Section A-E is approved. With this change your licensed capacity is now 266,000 bushels at Egeland effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
