RE: Capacity Increase

Dear Roger:

Your request to increase the license capacity at Cando by 338,000 bushels to reflect new construction consisting of bins 201 & 202 in Section A and new bins 001 & 002 in Section E, & delete bins 106, 107, 108, & 109 in Section A is approved. With these changes your licensed capacity is now 1,329,000 bushels at Cando, consisting of the space identified in the October 20, 2008 bin documents, effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
