RE: Capacity Increase

Dear Guy:

Your request to increase the license capacity at Hoople by 83,000 bushels to reflect new construction consisting of one bin that is 48 feet in diameter with 48 foot sidewalls is approved. With this change your licensed capacity is now 1,192,000 bushels at Hoople effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
