RE: Capacity Increase

Dear Michael:

The license capacity at Thompson has been increased by 361,000 bushels to reflect the addition of two new tanks 201 & 202 in Section C (220,424 bushels each), 150' x 60' steel flat 400 in Section C and the deletion of the potato warehouse, 001-006 in Section E & leased flat, 100 in Section F. The licensed space now consists of Section A-329,000 bushels, Section B-233,000 bushels, and Section C-1,257,000 bushels as identified in the January 2008 Public Service Commission bin charts and diagrams. With these changes your licensed capacity is now 1,819,000 bushels at Thompson effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
