Re: Purchased Gas Cost Adjustment
July 2008

This letter is to advise you that Montana-Dakota will not seek a purchased gas cost adjustment change for the month of July 2008. The Purchased Gas Cost Adjustment tariff (Rate 88), Section 2(b) provides that "Montana-Dakota shall file an adjustment to reflect changes in its average cost of gas supply only when the amount of such adjustment is at least 10 (ten) cents per dk." The purchased gas cost adjustment for the month of July 2008 results in a change of less than 10 cents per dk, and therefore, in accordance with the authorized tariff, Montana-Dakota will not seek a purchased gas cost adjustment change for the month of July.

Please acknowledge receipt by stamping or initialing the duplicate copy of this letter attached hereto and returning the same in the enclosed self-addressed, stamped envelope.

Sincerely,

Rita A. Mulkern
Regulatory Analysis Manager
