RE: Capacity Decrease

Dear Carrol:

Your request to decrease the license capacity at Colfax by 73,000 bushels to reflect the deletion of bins 1, 2, 3, 6, 7, and 8 in Section H located at the Frankel bin site which have been leased to Richland Organics for use as a receiving station is approved. With this change your licensed capacity is now 872,000 bushels at Colfax effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
