RE: Capacity Decrease

Dear Carrol:

Your request to decrease the license capacity at Colfax by 34,670 bushels to reflect the deletion of bin #10 in Section H at the Frankel bin site - leased to Red River Commodities for use as a receiving station is approved. With this change your licensed capacity is now 837,330 bushels at Colfax effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
