Re: Temporary Capacity Decrease

Dear Susan,

The Finley Farmers Grain and Elevator Company request that bins 104, 105, 106, 107, and 108 in Section C (45,000 bushels) be temporarily removed from our licensed capacity from September through December 2008. These bins will be leased to Mayport Farmers Co-op for an Edible Bean Receiving Station.

The Finley Farmers Grain and Elevator Company also requests that bins 104, 105, 106, 107, and 108 be reinstated to our licensed capacity December 31, 2008.

Sincerely,

David Fiebiger
General Manager
